

## **Swimming Pool Rules and Regulations**

The following rules and regulations are for the benefit of all members and to assure the safe operation of the pool for all.

No one will be allowed in the swimming pool unless the coach is present.

All persons entering the pool must have a valid membership and have settled their monthly swimming pool fee in advance.

No person within the pool area shall behave in such a manner as to jeopardize the safety and health of himself/herself and others. Such behavior, including abusive language, shall be grounds for expulsion.

Everybody should follow the coach's inductions.

Some lane(s) will be reserved for those members that belong to the club's racing team.

Everybody should swim counterclockwise near the lane markers. Swimmers should stay to the right while swimming in the lane, and pass on the left. While stopping at turning walls move to the side to allow others to turn and continue. Turns are made in the center of the lane at the wall.

## **What we want from you**

Be a good member. Everything we do is in a spirit of fun (competitive sometimes). Please pay up your yearly membership fee as indicated in your account and if you are using the swimming pool sessions pay up your monthly fees in advance and follow the pool regulations.

The most important thing is to get excited, get involved and have fun.
